UT Southwestern Medical Center

The Walker/Sinn Lecture is held annually to acknowledge and celebrate the major contributions by Drs. Robert V. Walker and Douglas P. Sinn, Dr. Robert V. Walker served as Chair of the Division of Oral and Maxillofacial Surgery in the Department of Surgery at UT Southwestern Medical Center at Dallas from 1956 to 1984 and Dr. Douglas P. Sinn served in the same capacity from 1984 to 2004. Under their leadership and direction, the program produced 215 alumni, 29 departments or division chairpersons, 2 deans, and 31 research fellows.

Target Audience
This program is designed for oral and maxillofacial surgeons, dentists, dental specialists, and other healthcare workers interested in oral and maxillofacial radiology.

Purpose and Content
This activity will provide the attendees the most up-to-date information regarding the fascinating field of oral and maxillofacial radiology. The program will use case presentations as the learning and discussion format and will cover the entire spectrum of radiology in dentistry.

Educational Objectives
Upon completion of this activity, participants should be able to link the educational objectives to Core Competencies (Medical Knowledge) and:
• Discuss critical issues of radiation safety
• Discuss importance of building a differential interpretation in radiology
• Interpret the most updated information of the application of advanced imaging in dentistry
• Recognize the complexity of the TMJ from the imaging perspective
• Discuss the role of radiology in the multidisciplinary approach to head and neck trauma

Accreditation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Target Audience
This program is designed for oral and maxillofacial surgeons, dentists, dental specialists, and other healthcare workers interested in oral and maxillofacial radiology.

Conflict of Interest
It is UT Southwestern’s policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker’s presentation(s). Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the course syllabus.

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
The registration fee entitles the participants to admission to the conference, all course materials, continental breakfast, refreshments at the break, and lunch during the meeting. Enrolment is confirmed upon receipt of registration fee. We are unable to process any registration without payment.

Registration Fee - $150
UTSW Alumni and Residents - $100

Refund Policy
