19th Annual
Dallas Cosmetic Surgery Symposium
Advances and Controversies in Cosmetic Surgery and Medicine
(including Buttock Augmentation/Cosmetic Female Genital Surgery)

Wednesday-Thursday
March 2-3, 2016
Westin Galleria
Dallas, Texas

- Hands-on Learning With The Experts – Fresh Cadaver Dissections in Facelift, Brow and Eyelid Surgery
- Special Anatomy Sessions on Dual Plane Breast Augmentation / Buttock and Breast Fat Augmentation / Migraine Surgery / Female Genitalia Rejuvenation
- Learn Advances in Breast Augmentation With Fat and New Shaped Implants
- Advances in Female Genitalia Rejuvenation
- Understand Advanced Techniques in Breast Augmentation/ Mastopexy
- Advances In Facial Cosmetic Surgery
- Advanced Neuromodulator and Fillers (Botulinum Toxin Type A and Fillers)
- Role of Aplipolysis in Non-Invasive Neck Contouring

Program details available at:
www.dallascosmeticsymposium.com
or call 214-648-3138

SYMPOSIUM CHAIRMAN
Rod J. Rohrich, M.D.
Professor and Founding Chairman of Plastic Surgery
Distinguished Teaching Professor
Department of Plastic Surgery
The University of Texas Southwestern Medical Center
Dallas, Texas

Sponsored by
UT Southwestern Department of Plastic Surgery
and the Office of Continuing Medical Education
19th Annual Dallas Cosmetic Surgery Symposium

Who Should Attend
Physicians interested in learning the latest innovations and advances in surgical and nonsurgical facial rejuvenation, as well as breast and body contouring surgery.

Purpose and Content
Attendees will become familiar with the latest techniques and advances in cosmetic surgery. The focus will be on controversies and advances in facial, breast and body contouring procedures including the use of fat for augmenting the face, breast and buttock. A live demonstration of the use of injectables, including new products on the market, will allow for a broad overview of products, facial analysis, and techniques. An optional cadaver course will be available to highlight the surgical techniques described.

Educational Objectives
At the end of the program, the attendees should be able to:
- Describe advanced techniques utilizing Botulinum Toxin Type A and soft tissue fillers for facial enhancement
- Integrate new implant options for breast augmentation and breast shaping using new breast lift techniques
- Discuss the use of fat grafting to enhance the face, breast and buttock
- Provide a “hands on” tool to practice the techniques discussed in a cadaver model

Accreditation and Credit Designation

Statements
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Society for Aesthetic Plastic Surgery, Inc.
The American Society for Plastic Surgeons

The organizers may at their discretion provide separate CME credit. Endorsement is not approval for Continuing Medical Education (CME) credit.

Syllabus Information
The course syllabus will be distributed as a downloadable PDF file. A link to the file will be emailed to you prior to the meeting.

Discussion of Off-Label Use
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

Registration
Refer to registration form for fee schedule.

Registration fee includes continental breakfasts, breaks, lunches, and Thursday evening snacks for the lab participants. Anatomy lab participants will also receive a facial anatomy dissection DVD during registration at the hotel. Registration for the anatomy lab is limited and will be taken on a first-come, first-served basis. Please do not make travel reservations at the hotel. Registration for the anatomy lab is limited and will be taken on a first-come, first-served basis. Please do not make travel reservations at the hotel.

Registration Instructions
UT Southwestern Medical Center Office of CME has transitioned to a new online registration system.

After clicking on the registration link, you will be prompted to login to an account within the online system in order to register. If you have not previously registered for any courses you must first create a user profile and then can go back and register for the course.

If you have already created a user profile, please login to your account and then click on take course located at the bottom of the page on the course site in order to register.

We only accept credit card payments online. For other payment options please contact our office directly at 214-648-3138 or cmeregistrations@utsouthwestern.edu

Syllabus Information
The course syllabus will be distributed as a downloadable PDF file. A link to the file will be emailed to you prior to the meeting.

Instruments to Bring
Participants registering for the cosmetic surgery laboratory will be required to bring the following instruments:

Surgical gown or scrub suit
Mask
3 and 4-0 nylon sutures (6 of each)
Straight fascial scissors
Curved fascial scissors
10 blades (4)
15 blades (1)
Double Skin Hooks (2)
Single Skin Hooks (2)
Small fascial retractor
Rake Retractor
Stapler
4-0 Mersilene suture
Marking pens (2)
10 cc syringes (2)
25 gauge needles (4)
Caliberator ruler and/or calipers
Needle holder
Iris scissors
Brown-Adson forceps
Penlight
1” 30g needles (5)
1 1/2” 25g needles (5)
Long periosteal elevator
Long grasping forceps
Takahashi forceps

Discussion of Off-Label Use
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

Registration
Refer to registration form for fee schedule.

Registration fee includes continental breakfasts, breaks, lunches, and Thursday evening snacks for the lab participants. Anatomy lab participants will also receive a facial anatomy dissection DVD during registration at the hotel. Registration for the anatomy lab is limited and will be taken on a first-come, first-served basis. Please do not make travel reservations at the hotel.

19th Annual Dallas Cosmetic Surgery Symposium
March 2-3, 2016
#RP1603B
19th Annual Dallas Cosmetic Surgery Symposium

Wednesday, March 2 - Westin Galleria

Day 1 Breast and Buttock

6:30 am Registration, Continental Breakfast, Exhibits
7:00 am Welcome and Introduction
– Rod J. Rohrich, M.D.

Part 1: Current Controversies in Breast Augmentation
7:05 am Current Approach to Implant Selection - 5 Key Points to Success
Moderators: Rod J. Rohrich, M.D. and Jamil Ahmad, M.D.
Panellists: William P. Adams, Jr., M.D., Bradley Bengtson, M.D., M. Bradley Calobrace, M.D., Dan Del Vecchio, M.D. and Frank Lista, M.D.
Discussion
2:50 pm Break / Exhibits

Part 2: Mastering Breast Augmentation-Mastopexy
9:45 am The Best Evidence Based Medicine (EBM) for Predictable Good Results (Video)
Moderators: Rod J. Rohrich, M.D. and Jamil Ahmad, M.D.
Panellists: William P. Adams, Jr., M.D., Bradley Bengtson, M.D., M. Bradley Calobrace, M.D. and Frank Lista, M.D.
Discussion
11:05 am Internal Support in Breast Surgery: Where Does It Fit In?
– Bradley Bengtson, M.D. and William P. Adams, Jr., M.D.
Lunch / Exhibits
11:45 am

Part 3: Tackling the Challenges of Revisionary Breast Surgery
12:45 pm What Do I Do With the Capsule? What the Best Evidence Based Medicine (EBM) Shows
Moderators: Rod J. Rohrich, M.D. and Jamil Ahmad, M.D.
Panellists: William P. Adams, Jr., M.D., Bradley Bengtson, M.D., M. Bradley Calobrace, M.D. and Louis L. Strock, M.D.

Thursday, March 3 - Westin Galleria

Day 2 Facial Surgery and Cosmetic Female Genital Surgery
6:30 am Continental Breakfast / Exhibits
7:00 am Welcome and Announcements
– Rod J. Rohrich, M.D.

Part 4: Best Evidence Based Medicine (EBM) for Latest Concepts (Video)
8:40 am The Benefits (or Lack Thereof) with Breast Implants - Role of Biofilm and ALCL
8:25 am Current Concepts/Controversies - Breast
8:05 am Discussion

Part 5: Finesse with Neuromodulators and Soft Tissue Fillers
5:30 pm Injection Finesse - Fillers, Neuromodulators, Neck Adiposiosis (Kybella) and Cellulite Treatment (Cellfina) - Live Edited Injection DVDs
Moderators: James M. Stuzin, M.D. and Jamil Ahmad, M.D.
Demonstrators: Rod J. Rohrich, M.D., Steven Fagien, M.D. and Bradley Hubbard, M.D.
DVD Theater
1. Finesse in Making Mastopexy Safe
– Frank Lista, M.D.
2. Vertical Scar Reduction Mammaplasty
– Frank Lista, M.D. and Jamil Ahmad, M.D.
3. Advances / Finesse in the Use of Neuromodulators / Fillers
– Rod J. Rohrich, M.D. and Steven Fagien, M.D.
4. Advances in the Lift and Fill Facelift
– Rod J. Rohrich, M.D.
Discussion

Part 5: Finesse with Neuromodulators and Soft Tissue Fillers
9:35 am Addressing the Clitoral Hood, Labia Majora and Mons Pubis
– John G. Hunter, M.D.
8:35 am Conquering the Challenges of Female Cosmetic Genital Surgery: Safety and Efficacy
– Jamil Ahmad, M.D.
8:45 am Finesse in Labiaplasty: Putting it All Together
– John G. Hunter, M.D.
8:05 am Contouring of the Labia Majora
– Christine Hamori, M.D.
7:45 am

Part 4: Buttock Contouring-Creating the Silhouette
3:30 pm Large Volume Fat Transfer: Current Concepts and Technique
– Dan Del Vecchio, M.D.
SAFE Liposuction: Applications of My Technique
– Simeon Wall, Jr., M.D.
My Best Buttock Augmentation Technique (Video)
– Dan Del Vecchio, M.D.
– Fat Augmentation
– Ashkan Ghavami, M.D.
– Fat Augmentation
– Simon Wall, Jr., M.D.
– Fat Augmentation
– Sam S. Jejurikar, M.D.
– Fat vs Implants
– Gal Moreira Dini, M.D.
– Role of Implants
Q&A Discussion
– Rod J. Rohrich, M.D.
– Jamil Ahmad, M.D.

Part F: Buttock Augmentation
3:00 pm

Part 4: Female Cosmetic Genital Surgery-Integrating it Into Your Practice
7:05 pm Perioperative Details for Female Cosmetic Genital Surgery - Making it Work in Your Practice
– Christine Hamori, M.D.
7:15 pm Wedge Excision Technique for Labiaplasty (Video)
– Frank Lista, M.D.
7:30 pm Wedge Excision Technique for Labiaplasty (Video)
– Christine Hamori, M.D.
7:45 pm Finesse in Labiaplasty: Putting it All Together
– John G. Hunter, M.D.
8:05 pm Contouring of the Labia Majora
– Christine Hamori, M.D.
8:15 pm Addressing the Clitoral Hood, Labia Majora and Mons Pubis
– John G. Hunter, M.D.
8:35 pm Conquering the Challenges of Female Cosmetic Genital Surgery: Safety and Efficacy
– Jamil Ahmad, M.D.
8:45 pm Finesse in Labiaplasty: Putting it All Together
– John G. Hunter, M.D.
8:05 pm Contouring of the Labia Majora
– Christine Hamori, M.D.
7:45 pm

Amy Coates Participants Only – UT Southwestern Campus Fresh Cadaver Laboratory Session
Lab Coordinators: Bardia Amirlak, M.D., Rod J. Rohrich, M.D.
4:15 pm Key Facial Anatomy to Stay Safe – What You Really Need to Know to Stay Out of Trouble
– James M. Stuzin, M.D.
3:40 pm Video Cadaver Demonstration
– Bardia Amirlak, M.D., Rod J. Rohrich, M.D.
5:15 pm Cadaver Lab Dissection
– Endoscopic/Coronal Browlift
– Facelift Techniques
– Blepharoplasty Techniques
– Necklift Techniques

Special Breakout Sessions
(assigned rotations)
– Cosmetic Female Genital Surgery
– Christine Hamori, M.D. and John G. Hunter, M.D.
– Breast Augmentation Dual Plane/ADM
– William P. Adams, Jr., M.D.
– Mastopexy
– Frank Lista, M.D.
– Buttock/Breast Fat Augmentation
– Ashkan Ghavami, M.D., Dan Del Vecchio, M.D. and Gal Moreira Dini, M.D.

Adjourn - Buses Depart to Westin Galleria
Accommodations
A block of rooms is being held at the Westin Galleria for this meeting. To assure your reservation, please call the number below and identify yourself as a participant in the UT Southwestern Dallas Rhinoplasty Symposium to be eligible for the group rate listed. Reservations received after February 4, 2016 are subject to space and group rate availability.

Westin Galleria Dallas
13340 Dallas Pkwy
Dallas, TX 75240
(972) 934-9494
www.thewestingalleriadallas.com

On-line reservations:

Information
For additional information, please call The Office of Continuing Medical Education, 214-648-3138; 1-800-688-8678, fax 214-648-2317, or email cosmeticsurgery@utsouthwestern.edu.

Information on other UT Southwestern programs can be obtained by accessing the Office of Continuing Medical Education’s home page at: http://www.utsouthwestern.edu/cme

For a free email subscription of The Office of Continuing Medical Education’s monthly calendar, send your name, medical specialty, and current email address to: cmecalendar@utsouthwestern.edu

19th Annual Dallas Cosmetic Surgery Symposium

Who Should Attend
Physicians interested in learning the latest innovations and advances in surgical and nonsurgical facial rejuvenation, as well as breast and body contouring surgery.

Purpose and Content
Attendees will become familiar with the latest techniques and advances in cosmetic surgery. The focus will be on controversies and advances in facial, breast and body contouring procedures including the use of fat for augmenting the face, breast and buttock. A live demonstration of the use of injectables, including new products on the market, will allow for a broad overview of products, facial analysis, and techniques. An optional cadaver course will be available to highlight the surgical techniques described.

Educational Objectives
At the end of the program, the attendees should be able to:

- Describe advanced techniques utilizing Botulinum Toxin Type A and soft tissue fillers for facial enhancement
- Integrate new implant options for breast augmentation and breast shaping using new breast lift techniques
- Discuss the use of fat grafting to enhance the face, breast and buttock
- Provide a "hands on" tool to practice the techniques discussed in a cadaver model

Accreditation and Credit Designation
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Texas Southwestern Medical Center designates this live activity for a maximum of 22.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activities.

Of the 22.5 credits, 10.0 credits have been identified as applicable to patient safety.

ACGME/ABMS Competencies
The Dallas Cosmetic Surgery Symposium will address the following competencies:

- Professionalism
- Patient Care and Procedural Skills
- Medical Knowledge
- Interpersonal and Communication Skills
- Systems-Based Practice
- Conflict of Interest
- Systems-Based Practice
- Interpersonal and Communication Skills
- Medical Knowledge
- Interpersonal and Communication Skills
- Systems-Based Practice

Endorsed by:
The American Society for Aesthetic Plastic Surgery, Inc. and the American Society of Plastic Surgeons

Discussion of Off-Label Use
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

Registration
Refer to registration form for fee schedule.

Registration fee includes continental breakfasts, breaks, lunches, and Thursday evening snacks for the lab participants. Please do not make travel reservations at the hotel. Registration for the anatomy lab is limited and will be taken on a first-come, first-served basis.

Refund Policy
A handling fee of $200 for the Cosmetic Symposium will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to February 28, 2016. No refunds will be made thereafter.

ENDORSED BY:
The American Society for Aesthetic Plastic Surgery, Inc.

Syllabus Information
The course syllabus will be distributed as a downloadable PDF file. A link to the file will be emailed to you prior to the meeting.
19th Annual Dallas Cosmetic Surgery Symposium  
Advances and Controversies in Cosmetic Surgery and Medicine  
(including Buttock Augmentation/Cosmetic Female Genital Surgery)  

Wednesday-Thursday  
March 2-3, 2016  
Westin Galleria  
Dallas, Texas  

• Hands-on Learning With The Experts – Fresh Cadaver Dissections in Facelift, Brow and Eyelid Surgery  
• Special Anatomy Sessions on Dual Plane Breast Augmentation / Buttock and Breast Fat Augmentation / Migraine Surgery / Female Genitalia Rejuvenation  
• Learn Advances in Breast Augmentation With Fat and New Shaped Implants  
• Advances in Female Genitalia Rejuvenation  
• Understand Advanced Techniques in Breast Augmentation/Mastopexy  
• Advances in Facial Cosmetic Surgery  
• Advanced Neuromodulator and Fillers (Botulinum Toxin Type A and Fillers)  
• Role of Adipolysis in Non-Invasive Neck Contouring  

Sponsored by UT Southwestern Department of Plastic Surgery and the Office of Continuing Medical Education  

Program details available at: www.dallascosmeticsymposium.com
