WHO SHOULD ATTEND

This symposium is designed for primary care physicians, specialists, physician assistants, nurse practitioners, and technologists.

PURPOSE

Are you up to date with best practices in ordering radiology exams and procedures? Are you meeting your performance metrics for radiology ordering? Need utilization tools to meet MACRA requirements? Our expert panel will share best practices for ordering diagnostic and interventional radiology procedures.

EDUCATIONAL OBJECTIVES

Upon completion of this course, participants should be able to:

- Utilize imaging exams and interventions more appropriately as compared to national benchmark volume indices.
- Improve ordering practices for imaging by applying evidence-based appropriateness criteria from national organizations.
- Describe appropriate use of new innovations in radiologic diagnostic imaging and therapeutic procedures.
- Discuss the risks associated with adhering to or departing from established best practice guidelines in a healthcare system.

ACCREDITATION

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CREDIT DESIGNATION

The University of Texas Southwestern Medical Center designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)™.

This live activity is approved by the American Society of Radiologic Technologists for 7.25 Category A Continuing Education Credits.

CONFLICT OF INTEREST

All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients along with that of their spouses or significant other. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

DISCUSSION OF OFF-LABEL USE

Because this course is meant to educate the participants with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

PROGRAM ACCESSIBILITY

We accommodate people with disabilities. Please call 214-648-3138 for more information, or add requested accommodations to your user profile in the registration site. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.

UT Southwestern Medical Center is an equal opportunity institution.

SYMPOSIUM AGENDA – Saturday, May 6, 2017

7:00 a.m. Registration / Continental Breakfast

7:30 a.m. Coffee, Pastries, and Patient Satisfaction Sarah McDermott, Director of Organizational Development & Training

Section 1: Diagnostic Dilemmas

8:00 a.m. Welcome Cezar Brownstein, MD

8:15 a.m. Imaging in the New MACRA Era Neil M. Rofsky, MD, FACR

8:30 a.m. In Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening Claus Roehrborn, MD

8:45 a.m. Multiparametric MRI and MR-UltraTIDE (TransRectal Ultrasound): Fusion biopsy: A new Paradigm in Prostate Cancer Diagnosis Daniel Costa, MD

9:00 a.m. My Patient Has an Abdomen CT: Incidental Findings Committee Follow-Up Recommendations Alberto Diaz de León, MD

9:15 a.m. Incidental Ovarian Cysts: What’s Next? National Recommendations April Bailey, MD

9:30 a.m. Panel Discussion Ivan Pedróna, MD, - Moderator

9:45 a.m. Coffee/Tea Break

Section 2: Under Utilized, But Appropriate Diagnostic Strategies

10:00 a.m. Deep Vein Thrombosis and Pulmonary Embolism: When is a D-Dimer Enough? Archde Kanehain, MD

10:15 a.m. Ultrasound: An Old Dog with New Tricks David Hetz, MD

10:30 a.m. Pre-Op Screening Exams? Eric Zeikus, MD

10:45 a.m. Pediatric Appropriate Imaging for Abdominal Pain Jeannie Kwon, MD

11:00 a.m. CT Colonoscopy: Appropriateness in Screening for CRC Vanatha Varan, MD

11:15 a.m. Panel Discussion Neil M. Rofsky, MD, FACR - Moderator

11:30 a.m. Lunch Break

11:45 a.m. Presentation 1: Population Health and Importance of Screening Mack Mitchell, MD

12:15 p.m. Presentation 2: Am I at Risk by Following ACO Guidelines Joan Porter, JD, Associate Vice President of Legal Affairs

12:30 p.m. Panel Discussion Ivan Pedróna, MD, - Moderator

Section 3: Addressing National Trends in Overutilized Imaging

1:00 p.m. Non-Acute Headache When Clinical Management is Enough Alison Leach, MD, PhD

1:15 p.m. Back Pain When Clinical Management is Enough Carlos Bagley, MD

1:30 p.m. Appropriately Imaging of Acute Back Pain & Non-Acute M A William Moore, MD

1:45 p.m. PET Imaging and Cardiac Stress Testing Rathun Sivakumar, MD, MPH, FHM

2:00 p.m. Appropriately Use of the Cardiac Computed Tomography Angiography (CTA) Sahiya Alivin, MD, FACC

2:15 p.m. Breast Imaging When, What, Why Emily Eads, MD

2:30 p.m. Panel Discussion Neil M. Rofsky, MD, FACR - Moderator

2:45 p.m. Coffee/Tea Break

Section 4: Minimally Invasive Radiotherapy Procedures

3:00 p.m. Radio logic Interventions for Acute Back Pain Edward Sthel, MD

3:15 p.m. Less Invasive and Less Costly Intervventional Procedures Alison Palumbo, MD

3:30 p.m. Sports Injuries and Treatments: Imaging Solutions Annakin Clahura, MD

3:45 p.m. Panel Discussion Cezar Brownstein, MD, - Moderator

4:00 p.m. Adjourn

4:15 p.m. Networking Event at Glass Cactus

4:30 p.m. Adjourn
SYMPOSIUM AGENDA – Saturday, May 6, 2017

7:00 a.m. Registration / Continental Breakfast

7:30 a.m. Coffee, Pastries, and Patient Satisfaction
Sarah Medcalf, Director of Organizational Development & Training

Section 1: Diagnostic Dilemmas

8:00 a.m. Welcome
Cezita Brownworth, MD

8:15 a.m. Imaging in the New MACRA Era
Neil M. Rofsky, MD, FACR

8:30 a.m. In Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening
Clint Northumb, MD

8:45 a.m. Multimodal MRI and MRA/MRI (Transradial Ultrasonography) Fusion Imaging: A New Paradigm in Prostate Cancer Diagnosis
Daniel Costa, MD

9:00 a.m. My Patient Has a Hernia (type IIC). Is the Incisional Hernia Committee Follow-Up Recommendation
Alberto Diaz de Leon, MD

April Bailey, MD

9:30 a.m. Panel Discussion
Ivan Pedrosa, MD - Moderator

9:45 a.m. Coffee/Tea Break

Section 2: Under Utilized, But Appropriate Diagnostic Strategies

10:00 a.m. Deep Vein Thrombosis and Pulmonary Embolism: When is a D-Dimer Enough?
Andrea Borkhaim, MD

10:15 a.m. Ultrasound: An Old Dog with New Tricks
David Fetzer, MD

10:30 a.m. Pre-Op Screening Exams?
Eric Zenios, MD

10:45 a.m. Pediatric Appropriate Imaging for Abdominal Pain
Jeanne Kwon, MD

11:00 a.m. CT Colonoscopy: Appropriateness in Screening for CRC
Vasanta Vasan, MD

11:15 a.m. Panel Discussion
Neil M. Rofsky, MD, FACR - Moderator

11:30 a.m. Lunch Break

11:45 a.m. Presentation 1: Population Health and Importance of Screening
Mack Mitchell, MD

12:00 p.m. Panel Discussion
Ivan Pedrosa, MD - Moderator

12:30 p.m. Coffee/Tea Break

Section 3: Addressing National Trends in Overutilized Imaging

1:00 p.m. Non-Acute Headache: When Clinical Management is Enough
Alison Leston, MD, PhD

1:15 p.m. Back Pain: When Clinical Management is Enough
Carlos Bagley, MD

1:30 p.m. Appropriate Imaging of Acute Back Pain & Non-Acute 

1:45 p.m. PET Imaging and Cardiac Stress Testing
Rathan Subramaniam, MD, PhD, MPH

2:00 p.m. Appropriate Use of the Cardiac Computed Tomography Angiogram (CTA)
Salley Abrama, MD, FACR

2:15 p.m. Breast Imaging: When, What, Why
Emily Eads, MD

2:30 p.m. Panel Discussion
Neil M. Rofsky, MD, FACR - Moderator

2:45 p.m. Coffee/Tea Break

Section 4: Minimally Invasive Radiology Procedures

3:00 p.m. Radiologic Interventions for Acute Back Pain
Edward Stohl, MD

3:15 p.m. Less Invasive and Less Costly Interventional Radiology Procedures
Alison Palumbo, MD

3:30 p.m. Sports Injuries and Treatments: Imaging Solutions
Aneesh Chhabra, MD

3:45 p.m. Panel Discussion
Cezita Brownworth, MD - Moderator

4:00 p.m. Adjourn

4:15 p.m. Networking Event at Glass Cactus
WHO SHOULD ATTEND
This symposium is designed for primary care physicians, specialists, physician assistants, nurse practitioners, and technologists.

Featured Breakout Sessions

1:00 p.m. Incorporate Prostate MRI and Fusion Biopsies in Your Diagnosis of Prostate Cancer

Ivan Pedrosa, MD

2:00 p.m. Appropriately Lung Cancer Screening Program for Your Patients

Cezita Browne, MD

3:00 – 3:30 p.m. When Should a Student Athlete Get Imaged for Concussion?

Joseph Mitchell, MD

The symposium will be held at the Gaylord Texan Resort & Convention Center, overlooking Grapevine Lake. Situated six minutes from DFW International Airport and centrally located between Dallas and Fort Worth, the convention center is an ideal venue, with ample exhibit space and flexible meeting rooms to accommodate the symposium’s breakout sessions and networking opportunities. Participants who decide to stay overnight at the resort hotel can enjoy luxury accommodations, first-class restaurants, eclectic shops, a European-style spa, and lush indoor gardens with windwater features. Ask about special conference rates.

The Glass Cactus

As an added bonus, participants can choose to stay for an exclusive networking event at the Glass Cactus immediately following the symposium. Enjoy cocktails from one of four signature bars and an array of hors d’oeuvres while mingling, mingling and exchanging contact information. The Glass Cactus features a 2,000-square-foot dance floor and a massive two-tier deck overlooking Lake Grapevine.
