Target Audience
The symposium is designed for Pediatric Neurologists in academic and private practices, General Pediatrics, Neurology residents, fellows and medical students. The speakers will cover a broad range of Child Neurology topics which will include advancements in diagnosis and treatments in Epilepsy, Movement disorders, Traumatic brain injury/Concussion, Neuromuscular diseases, Neurodevelopmental disabilities and Auto-immune Neurologic diseases among others.

Purpose and Content
The aim of this symposium is to impact positive changes in physician competency, improve performance in clinical/Pediatric Neurology practice and subsequently improve patient outcomes. This conference will provide an update on the recent advances in treatment and research findings in various Pediatric Neurological disorders. The format of this program will be a series of lectures presented by experts in the field on a variety of topics followed by discussions in which the audience can directly interact with the speakers.

Educational Objectives
Upon completion of this activity, participants should be able to:
• Identify neurocognitive sequelae of concussion and provide management guidelines
• Explain the use of special diets, alternative therapies and medicinal cannabinoids to treat pediatric epilepsy
• Identify and perform basic evaluation in patients with suspected neuromuscular conditions
• Describe the recent developments for the evaluation and treatment of patients with demyelinating conditions
• Discuss the clinical presentation and treatment of GLUT1 transporter disorder and the importance of identification of this syndrome

Accreditation
The University of Texas Southwestern Medical Center at Dallas is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Continuing Education Information
The University of Texas Southwestern Medical Center designates this educational activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Texas Southwestern Medical Center designates the “Navigating Ethical Concerns and Pediatric Treatment Decision-Making” activity for 1.0 hour(s) in medical ethics and/or professional responsibility

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
Registration entitles the participant to attend the conference, obtain all course materials, continental breakfast, lunch and refreshment breaks during the meeting.

Enrollment is confirmed upon receipt of registration form. Please register early. We cannot guarantee course materials on site to anyone registering after June 2, 2016.

Cancellation Policy
A $150.00 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to May 30, 2016. No refunds will be made thereafter.

Additional Information
For additional information, please call The Office of Continuing Medical Education, 214-648-3138, 1-800-668-8678, or email cme.registrations@utsouthwestern.edu.

To obtain information on other UT Southwestern programs, visit The Office of Continuing Medical Education’s website at: http://www.utsouthwestern.edu/cme

Program Accessibility
We accommodate people with disabilities. Please call 214-648-3138 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.

UT Southwestern Medical Center is an equal opportunity institution.

Location
UT Southwestern Medical Center
T. Boone Pickens Biomedical Building
6001 Forest Park Road
Dallas, Texas 75390

COURSE CHAIR
Susan T. Imannecone, M.D., F.A.A.N.  
Jenny Elizabeth Westcott Endowed Chair in Pediatric Neurology  
Professor, Department of Pediatrics, Neurology and Neurotherapeutics  
UT Southwestern Medical Center and Children’s Medical Center, Dallas, TX

COURSE CO-CHAIRS
Diana Castro, M.D.  
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

Sailaja Golla, M.D.  
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

Deepa Sirsi, M.D.  
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

COURSE FACULTY
Lori Cook, Ph.D.  
Director of Pediatric Brain Injury Programs, Center for BrainHealth  
Senior Clinician, Brain Performance Institute  
Adjunct Assistant Professor, School of Behavioral and Brain Sciences  
UT Dallas, Dallas, TX

Benjamin Greenberg, MD  
Associate Professor of Pediatrics, Neurology, and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

Juan Pascual, M.D.  
Associate Professor of Pediatrics, Neurology, and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

Heather Paterson, MS, RN, CPNP-PC, CHPPN  
Advanced Practice Nurse  
Pediatric Care  
Children’s Health

Tania Saha, M.D.  
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

Rana Said, M.D.  
Associate Professor of Pediatrics, Neurology, and Neurotherapeutics  
UT Southwestern Medical Center, Dallas, TX

Terence Sanger, M.D.  
Associate Professor of Biomedical Engineering and Neurology  
Children’s Health

Stacy Smith, MLS, BSN, RN, CHPPN  
Clinical Specialist  
Manager, RIDE Program  
Children’s Health

The course syllabus will be distributed as a downloadable PDF file. A link to the file will be emailed to you prior to the meeting.

The syllabus, as well as any missing presentations, will be available for download on the conference website approximately one week after the conference.

Register online at cme.utsouthwestern.edu/content/RP1605A

Registration Fee
$25 Early Registration, After April 21st Registration $40.00

Registration Instructions
UT Southwestern Medical Center Office of CME has transitioned to a new online registration system.

After clicking on the registration link, you will be prompted to login to an account within the online system in order to register. If you have not previously registered for any courses you must first create a user profile and then can go back and register for the course.

If you have already created a user profile, please login to your account and then click on take course located at the bottom of the page on the course site in order to register.

Program Agenda - Friday, June 3, 2016

7:00 AM  Breakfast / Registration
7:40 AM  Welcome Address and Introduction
- Dr. Susan T. Iannaccone

Moderator:  - Dr. Deepa Sirsi
8:00 AM  Movement Disorders in Children
- Dr. Terence Sanger
9:00 AM  Demyelinating Disease in Children
- Dr. Benjamin Greenberg
9:45 AM  Q & A Discussion
9:55 AM  Break/Exhibits

Moderator:  - Dr. Diana Castro
10:15 AM  Diet, Hormones and Alternative treatments for Epilepsy
- Dr. Rana Said
11:00 AM  Navigating Ethical Concerns and Pediatric Treatment Decision-Making
- Heather Paterson and Stacy Smith
12:00 PM  Lunch / Exhibits

Moderator:  - Dr. Sailaja Golla
1:00 PM  Evolving Treatment Strategies for Headaches: Neurostimulators, Neutraceuticals and Non-Pill Options
- Dr. Tonia Sabo
1:45 PM  Advances in Return-to-Learn and Cognitive Remediation for Students with Brain Injury
- Lori Cook, Ph.D.
2:30 PM  Q & A Discussion
2:40 PM  Break / Exhibits

Moderator:  - Dr. Sailaja Golla
2:55 PM  Glucose Transporter Type I Deficiency
- Dr. Juan Pascual
3:40 PM  General Evaluation of a Patient with Neuromuscular Weakness and Quick Review of Current Trials in DMD and SMA
- Dr. Diana Castro
4:25 PM  Q & A Discussion
4:35 PM  Closing Remarks
4:45 PM  Adjourn
