The 37th Annual Carrell-Krusen

NEUROMUSCULAR SYMPOSIUM

February 19-20, 2015

A SEMINAR FOR MUSCULAR DYSTROPHY CLINIC DIRECTORS, CASE MANAGERS, NURSES
AND MEMBERS OF INTERDISCIPLINARY CARE TEAMS

THE 37TH ANNUAL CARRELL-KRUSEN NEUROMUSCULAR SYMPOSIUM Awardee:

CARSTEN G. BONNEMANN

Sponsored by:
The Departments of Pediatrics and Neurology at UT Southwestern
and the Office of Continuing Medical Education
COURSE DIRECTOR

Susan T. Iannaccone, M.D., F.A.A.N.
Professor of Neurology and Pediatrics
Jimmy Elizabeth Westcott Distinguished Chair in Pediatric Neurology
The University of Texas Southwestern Medical Center
Director of Child Neurology
Children’s Medical Center
Dallas, TX

COURSE CO-DIRECTOR

Jaya Trivedi, M.D.
Associate Professor
Department of Neurology and Neurotherapeutics
The University of Texas Southwestern Medical Center
Dallas, TX

PROGRAM COMMITTEE

Diana Castro, M.D.
Assistant Professor
Department of Pediatrics, Neurology and Neurotherapeutics
The University of Texas Southwestern Medical Center
Dallas, TX

Jeffrey Elliott, M.D.
Professor
Department of Neurology and Neurotherapeutics
The University of Texas Southwestern Medical Center
Dallas, TX

Emily Herndon, M.D.
Assistant Professor
Department of Pathology
The University of Texas Southwestern Medical Center
Dallas, TX

Sharon Nations, M.D.
Associate Professor
Department of Neurology and Neurotherapeutics
The University of Texas Southwestern Medical Center
Dallas, TX

Lauren Phillips, M.D.
Assistant Professor
Department of Neurology and Neurotherapeutics
The University of Texas Southwestern Medical Center
Dallas, TX

Steven Vernino, M.D., Ph.D.
Dr. Bob and Jean Smith Foundation Distinguished Chair in Neuromuscular Disease Research
Professor
Department of Neurology and Neurotherapeutics
The University of Texas Southwestern Medical Center
Dallas, TX
WHO SHOULD ATTEND
The Carrell-Krusen Neuromuscular symposium is designed for primary care providers, neurologists, nurse practitioners, physician’s assistants and registered nurses that desire to gain advanced knowledge in diagnosis and management of patients with neuromuscular disease.

OBJECTIVES
At the end of the symposium, participants should be able to:
• Improve clinical updates in diagnosis and practice management in unusual neuromuscular cases.
• Describe recent advances in basic and clinical research on neuromuscular disorders.
• Identify characteristics findings on muscle biopsies and EMG studies on neuromuscular disorders.
• Implement treatment based on neuromuscular histopathy.

CONCEPT AND METHOD
The symposium provides an open and energetic interchange to discuss rare and challenging cases, as well as patients with common problems in order to improve their treatment and management. Physical exams will be demonstrated on patients present at the symposium with ample time for discussion of each case. Sessions will include slide presentations of unusual muscle and nerve biopsies and EMG findings presented by several symposium registrants in an informal manner for open discussion. The scientific session will include formal presentations reporting recent research results. The Carrell-Krusen Neuromuscular Lecture will be a formal one-hour presentation by visiting professor, Carsten G. Bonnemann, M.D.

ACCREDITATION
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 13 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CONFLICT OF INTEREST
It is UT Southwestern’s policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker’s presentation(s). Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the course syllabus.

DISCUSSION OF OFF LABEL USES
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” uses discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

REGISTRATION
The registration fee for this program entitles the participants to admission to the conference, all course materials, continental breakfasts, refreshment breaks and Thursday and Friday lunch.

Registration is confirmed upon receipt of full registration fee payment.
LOCATION
Texas Scottish Rite Hospital For Children
2222 Welborn Street
Dallas, Texas 75219

ACCOMMODATIONS
A block of rooms is being held at the The Stoneleigh Hotel & Spa until January 18, 2015. After January 18, 2015 identify the group as Carrell Krusen Room Block February 2015.

The Stoneleigh Hotel & Spa
2927 Maple Ave
Dallas, TX 75201
800.921.8498
214.871.7111
Rate: $154/night
Special rate cannot be guaranteed past Sunday, January 18, 2015

Please make reservations directly with the hotel. A block of rooms have been reserved for the Carrell-Krusen Neuromuscular Symposium. The daily rate is $154 Single/Double. Valet parking for overnight guests is $20 and is charged to the guest’s room. The special rate cannot be guaranteed past Wednesday, January 23, 2015.

Registration forms must be received no later than Thursday, Thursday, February 12, 2015. Space is limited! Walk-in registration may not be available. All symposium attendees (including faculty and presenters) must complete the attached registration form.

CANCELLATION POLICY
The Office of Continuing Education reserves the right to limit registration and cancel courses no less than one week prior to the course, should circumstances make this necessary.

REFUND POLICY
A $50 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax before February 14, 2015. No refunds will be made thereafter.

INFORMATION
For additional information, please call the Office of Continuing Education, 214-648-3138, 1-800-688-8678, fax 214-648-2317, or email cmeregistrations@utsouthwestern.edu

To obtain information on other UT Southwestern programs, go to http://www.utsouthwestern.edu/cme for a free email subscription of the Office of Continuing Education’s monthly calendar, send your name, medical specialty and current email address to: cmecalendar@utsouthwestern.edu

PROGRAM ACCESSIBILITY
We accommodate people with disabilities. Please call 214-648-3138 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center at Dallas is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.

UT Southwestern is an equal opportunity institution.
