FRIDAY, JUNE 3, 2016
UT Southwestern Medical Center
T. Boone Pickens Biomedical Building
Dallas, Texas

Sponsored by UT Southwestern
Department of Pediatric Neurology
and the Office of Continuing Medical Education

New Frontiers in Pediatric Neurology
Program Agenda - Friday, June 3, 2016

7:00 AM  Breakfast / Registration
7:40 AM  Welcome Address and Introduction
- Dr. Susan T. Iannaccone

Moderators:
Dr. Deepa Sirsi
Dr. Sailaja Golla
Dr. Tonia Sabo
Dr. Diana Castro

8:00 AM  Movement Disorders in Children
- Dr. Terence Sanger

8:15 AM  Demyelinating Disease in Children
- Dr. Benjamin Greenberg

9:45 AM  Q & A Discussion

9:55 AM  Break/Exhibits

Moderator:
Dr. Diana Castro

10:15 AM  Diet, Hormones and Alternative treatments for Epilepsy
- Dr. Rana Said

11:00 AM  Navigating Ethical Concerns and Pediatric Treatment
Decision-Making
- Heather Paterson and Stacy Smith

12:00 PM  Lunch / Exhibits

Moderator:
Dr. Tonia Sabo

1:00 PM  Neurodevelopment and Behavioral Issues Following
Concussion in Children
- Dr. Sailaja Golla

1:45 PM  Advances in Return-to-Learn and Cognitive
Remediation for Students with Brain Injury
- Lori Cook, Ph.D.

2:30 PM  Q & A Discussion

2:40 PM  Break / Exhibits

Moderator:
Dr. Sailaja Golla

2:55 PM  Glucose Transporter Type I Deficiency
- Dr. Juan Pascual

3:40 PM  General Evaluation of a Patient with Neuromuscular
Weakness and Quick Review of Current Trials in DMD and SMA
- Dr. Diana Castro

4:25 PM  Q & A Discussion

4:30 PM  Closing Remarks

4:35 PM  Adjourn
The symposium is designed for Pediatric Neurologists in academic and private practices, General Pediatrics, Neurology residents, fellows and medical students. The speakers will cover a broad range of Child Neurology topics which will include advancements in diagnosis and treatments in Epilepsy, Movement disorders, Traumatic brain injury/Concussion, Neuromuscular diseases, Neurodevelopmental disabilities and Auto-immune Neurologic diseases among others.

The aim of this symposium is to impact positive changes in physician competency, improve performance in clinical/Pediatric Neurology practice and subsequently improve patient outcomes. This conference will provide an update on the recent advances in treatment and research findings in various Pediatric Neurological disorders. The format of this program will be a series of lectures presented by experts in the field on a variety of topics followed by discussions in which the audience can directly interact with the speakers.

Upon completion of this activity, participants should be able to:

- Identify and perform initial evaluation in patients with Autism Spectrum Disorders
- Explain the use of new anti-epileptic medication, alternative treatments
- Identify and perform basic evaluation in patients with suspected neuromuscular disorder
- Identify potentials candidates for research
- Describe the recent developments for the evaluation and treatment of patients with demyelinating conditions
- Integrate new strategies/processes to improve the transition of patients with chronic neurologic conditions to adult clinics and independent care, while taking into consideration ethical considerations for patients with psychological disabilities

The University of Texas Southwestern Medical Center at Dallas is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas Southwestern Medical Center designates this educational activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be "off-label" use discussed in the activity. Speakers have been requested to inform the audience when off-label use is discussed.

The course syllabus will be distributed as a downloadable PDF file. A link to the file will be emailed to you prior to the meeting.

The syllabus, as well as any missing presentations, will be available for download on the conference website approximately one week after the conference.
Target Audience
The symposium is designed for Pediatric Neurologists in academic and private practices, General Pediatricians, Neurology residents, fellows and medical students. The speakers will cover a broad range of Child Neurology topics which will include advancements in diagnosis and treatments in Epilepsy, Movement disorders, Traumatic brain injury/Concussion, Neuromuscular diseases, Neurodevelopmental disabilities and Auto-immune Neurologic diseases among others.

Purpose and Content
The aim of this symposium is to impact positive changes in physician competency, improve performance in clinical/Pediatric Neurology practice and subsequently improve patient outcomes. This conference will provide an update on the recent advances in treatment and research findings on various Pediatric Neurological disorders. The format of this program will be a series of lectures presented by experts in the field on a variety of topics followed by discussions in which the audience can directly interact with the speakers.

Educational Objectives
Upon completion of this activity, participants should be able to:
• Identify and perform initial evaluation in patients with Autism Spectrum Disorders
• Explain the use of new anti-epileptic medication, alternative treatments
• Identify and perform basic evaluation in patients with suspected neuromuscular disorder
• Identify potential candidates for research
• Describe the recent developments for the evaluation and treatment of patients with demyelinating conditions
• Integrate new strategies/processes to improve the transition of patients with chronic neurologic conditions to adult clinics and independent care, while taking into consideration ethical considerations for patients with psychological disabilities

Accreditation
The University of Texas Southwestern Medical Center at Dallas is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Continuing Education Information
The University of Texas Southwestern Medical Center designates this educational activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Texas Southwestern Medical Center designates the “Navigating Ethical Concerns and Pediatric Treatment Decision-Making” activity for 1.0 hours in medical ethics and/or professional responsibility

Discussion of Off-Label Use
This course is meant to educate physicians with what is currently in use and what may be available in the future. There may be “off-label” use discussed in this activity. Speakers have been requested to inform the audience when off-label use is discussed.

Registration
Registration is confirmed upon receipt of registration form. Please register early. We cannot guarantee course materials on site to anyone registering after June 2, 2016.

Cancellation Policy
A $150 handling fee will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to May 30, 2016. No refunds will be made thereafter.

Program Accessibility
We accommodate people with disabilities. Please call 214-648-3138 for more information, or mark the space indicated on the registration form. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.

UT Southwestern Medical Center is an equal opportunity institution.

COURSE CHAIR
Susan T. Iannocone, M.D., F.A.A.N.
Jerzy Elizabeth Westcott Distinquished Chair in Pediatric Neurology Professor, Department of Pediatrics, Neurology and Neurotherapeutics UT Southwestern Medical Center and Children’s Medical Center, Dallas, TX

COURSE CO-CHAIRS
Diana Castro, M.D.
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX
Sailaja Golla, M.D.
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX
Deepsi Sris, M.D.
Assistant Professor, Department of Pediatrics, Neurology and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX

COURSE FACULTY
Lori Cook, Ph.D.
Director of Pediatric Brain Injury Programs, Center for BrainHealth
Senior Clinician, Brain Performance Institute Adjunct Assistant Professor, School of Behavioral and Brain Sciences UT Dallas, Dallas, TX

Benjamin Greenberg, MD
Associate Professor of Pediatrics, Neurology, and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX
Juan Pascual, M.D.
Assistant Professor, Department of Pediatrics, Neurology, and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX
Heather Paterson, MS, RN, CPNP-PC, CHPPN
Advanced Practice Nurse Palliative Care Children’s Health
Tonia Sabo, M.D.
Assistant Professor, Department of Pediatrics, Neurology, and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX
Rana Said, M.D.
Associate Professor of Pediatrics, Neurology, and Neurotherapeutics UT Southwestern Medical Center, Dallas, TX
Terrence Sanger, M.D.
Associate Professor of Biomedical Engineering and Neurology UT Southwestern Medical Center, Dallas, TX
Stacy Smith, MLS, BSN, RN, CHPPN
Clinical Ethicist Manager, RISE Program Children’s Health

GOING GREEN
New Frontiers in Pediatric Neurology
Friday, June 3, 2016

Location
UT Southwestern Medical Center
T. Boone Pickens Biomedical Building
601 Forest Park Road
Dallas, Texas 75390

Registration
Register online at cme.utsouthwestern.edu/content/RP1605A
The course syllabus will be distributed as a downloadable PDF file. A link to the file will be emailed to you prior to the meeting.

The syllabus, as well as any missing presentations, will be available for download on the conference website approximately one week after the conference.
