“Infectious Keratitis”

Steven Verity, M.D.

Professor of Ophthalmology

“Infectious Agents in the Eye”

Rafael Ufret-Vincenty, M.D.

Associate Professor of Ophthalmology

“Endophthalmitis”

Angeline Wang, M.D.

Assistant Professor of Ophthalmology

UT Southwestern Medical Center

Sponsored by the Department of Ophthalmology and
The Office of Continuing Medical Education
The University of Texas Southwestern Medical Center

Course Director: Preston Blomquist, M.D. and Karanjit S. Kooner, M.D.

Purpose and Content: The purpose of this program is to provide up-to-date information on, and workup and management of, ocular infections to better prepare the clinician should they encounter a patient with such problems. Upon completion of this program, participants should be able to understand the varying signs of ocular infections and the manifestations of related conditions, as well as, how to proceed with treatment, diagnostic testing, and when to provide referrals to ophthalmologists.

Target Audience: This live webinar is appropriate for ophthalmologists, primary care physicians, optometrists and other healthcare professionals who would benefit from a discussion on the diagnosis and treatment of ocular infections.

Educational Objectives: At the conclusion of this activity, the participant should be able to:

1. Describe the clinical spectrum of SARS CoV-2 infection
2. Elucidate the host factors predicting COVID-19 disease severity
3. Understand ocular diseases caused by infectious agents, other than endophthalmitis
4. Learn the different types of corneal infections
5. Learn the typical causes, signs/symptoms, and treatment/management of endophthalmitis
6. Describe major classes of infectious agents that cause conjunctivitis and the hallmark signs and symptoms of each

Educational Method: Virtual lecture, presentation slides, question and answer session

Accreditation: The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation: The University of Texas Southwestern Medical Center designates this live activity for a maximum of **3.75 AMA PRA Category 1 Credit(s)[™]**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict of Interest: All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

Off-Label Uses: Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentation. Speakers have been requested to inform the audience when off-label use is discussed.
