- Physicians
- Licensed mental healthcare providers
- Interdisciplinary providers
- Mental health support staff

Credit Designation and Accreditation

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas Southwestern Medical Center designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

UT Southwestern Medical Center can provide professional development per the Texas State Board of Examiners of Psychologists per TSBEP rule 461.11. This activity is designated for 6.0 hours of professional development. Please Note: Texas State Board of Examiners of Psychologists does not pre-approve professional development credit. It is therefore the responsibility of the licensee to submit their attendance certificate and associated materials to the Texas State Board of Examiners of Psychologists for consideration of credit toward licensure renewal as applicable.

UT Southwestern Medical Center has automatic status as an approved provider of continuing education credits for social workers per the Texas State Board of Social Work Examiners rule 781.511(c). This activity is designated for 6.0 hours of continuing education. Please Note: Regarding entities that receive automatic status as approved providers under this section, the Texas State Board of Social Work Examiners will not provide documentation of board-approved status nor will the board include such entities in its roster of board-approved providers.

For Licensed Professional Counselors, please note this activity consistent with continuing education definitions per the Texas State Board of Examiners of Professional Counselors rule 681.142. This activity is designated for 6.0 hours of continuing education. The licensee is responsible for maintaining continuing education records for a period of two years.
