Dear Representative,

The **42nd Annual Carrell Krusen Symposium** will be held on **February 20-21, 2020**. This two-day CME live activity will take place at the **Westin Galleria Dallas, 13340 Dallas Parkway, Dallas, TX 75240** and is sponsored by UT Southwestern Department of Neurology and Neurotherapeutics, and the Office of Continuing Medical Education at UT Southwestern Medical Center.

A clinical education experience for members of multidisciplinary teams who care for patients with rare, complex neuromuscular diseases including hereditary muscular dystrophies, motor neuron diseases, neuroimmunologic neuropathies and rare genetic disorders of muscle and nerve. The 2020 keynote speaker will present data from the latest clinical trials for Duchenne muscular dystrophy and discuss new approaches for combination therapy in those patients. Case presentations will include physical diagnosis and discussion of management and new therapies by participating experts.

The content of the program is identified and developed through a Call for Abstracts process. The educational format for this activity includes didactic lectures with in depth Q&A, and panel discussions designed for active participation by attendees.

This program is specifically designed for Primary Care providers, Neurologists, NPs, PAs, and Researchers that desire to gain advanced knowledge in diagnosis and management of patients with neuromuscular disease.

**For a detailed agenda go to** [https://cme.utsouthwestern.edu/rp2002b](https://cme.utsouthwestern.edu/rp2002b)
