

Dear Representative,

**Pancreatic Cancer Symposium 2026 (RP2604C)** will be held on **Saturday, April 18, 2026**. This continuing education activity will take place live in-person at the **UT Southwestern Medical Center's T. Boone Biomedical Building (NG3.112) in Dallas, TX** and is sponsored by the **UT Southwestern Department of Surgery**, and the Office of Continuing Education at UT Southwestern Medical Center.

**The Pancreatic Cancer Symposium 2026 (RP2604C)** offers community cancer care specialists an opportunity to gain up-to-date, evidence-based insights on the evolving management of pancreatic cancer. As the only NCI-designated Comprehensive Cancer Center in North Texas, UT Southwestern Harold C. Simmons Comprehensive Cancer Center is committed to advancing education and expanding access to specialized care for this aggressive disease. This one-day live event will include topics such as molecular profiling & targeted therapeutics, minimally invasive and robotic surgical techniques, emerging systemic therapy strategies, clinical trial opportunities for advanced disease and pancreatic neuroendocrine tumors.

This activity is appropriate for community care providers and UT Southwestern faculty, including Medical Oncologists, Surgical Oncologists, Radiation Oncologists, Hepatobiliary surgeons, Gastroenterologists, Advanced Practice Providers, Registered Dieticians, Registered Nurses, as well as any clinical role participating in care for pancreatic cancer patients.

**Learning Objectives include:**

1. Identify the barriers of access to care for patients with pancreatic cancer and discuss interventions to enhance patient quality of life.
2. Review the impact of neo-adjuvant, adjuvant and systemic therapy treatments for pancreatic cancer.
3. Discuss the role of different chemotherapy and radiation therapy modalities for pancreatic cancer.
4. Compare and contrast the potential benefits of minimally invasive surgery in pancreatic cancer.
5. Discuss nutritional options for managing exocrine insufficiency.

**Benefits of Exhibiting**

Meet one-on-one to discuss your products and services with medical professionals who will attend this meeting. Further benefits of exhibiting at the **Pancreatic Cancer Symposium 2026** include:

- Exposure to over 80 attendees (a mix of community and UT Southwestern Oncologists, Surgeons, Radiation Oncologists, Advanced Practitioners, Oncology Nurses, oncology fellows, residents, and students interested in the treatment of cancer).
- Ample intermissions between morning and afternoon sessions allow time for attendees to visit your exhibit
- Build visibility for your company in a competitive marketplace
- Expand your prospective place and strengthen existing customer relationships

We look forward to your support and participation.

Regards,

Office of Continuing Education  
UT Southwestern Medical Center
