# 20th Annual Dallas Cosmetic Surgery Symposium

## Who Should Attend

Physicians interested in learning the latest innovations and advances in surgical and nonsurgical facial rejuvenation, as well as breast and body contouring surgery.

## Purpose and Content

Attendees will become familiar with the latest techniques and advances in cosmetic surgery. The focus will be on controversies and advances in facial, breast and body contouring procedures including the use of fat for augmenting the face, breast and buttock. A live demonstration of the use of injectables, including new products on the market, will allow for a broad overview of products, facial analysis, and techniques. An optional cadaver course will be available to highlight the surgical techniques described.

## Educational Objectives

At the end of the program, the attendees should be able to:

- Describe advanced techniques utilizing Botulinum Toxin Type A and soft tissue fillers for facial enhancement
- Integrate new implant options for breast augmentation and breast shaping using new breast lift techniques
- Discuss the use of fat grafting to enhance the face, breast and buttock
- Utilize techniques learned/discussed on cadaver model

## Accreditation and Credit Designation Statements

The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Texas Southwestern Medical Center designates this live activity for a maximum of **11.5 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activities.

## ACGME/ABMS Competencies

The Dallas Cosmetic Surgery Symposium will address the following competencies:

- Professionalism
- Patient Care and Procedural Skills
- Medical Knowledge
- Interpersonal and Communication Skills
- Systems-Based Practice

## Conflict of Interest

It is UT Southwestern's policy that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker's presentation(s). Each speaker has completed and signed a conflict of interest statement. The faculty members' relationships will be disclosed in the course syllabus.

## Cosmetic Surgery Lab Instrument List

We will provide the following instruments:

Surgical gown	25 gauge needles (4)
Mask	1 ½" 25g needles (5)
#10 blades (4)	1" 30g needles (5)
#15 blades (4)	10cc Syringes (2)
3-0 and 4-0 nylon sutures (6 each)	Marking pen

Participants are required to bring the following instruments:

Curved facelift scissors	Centimeter ruler and/or calipers
Straight facelift scissors	Long grasping forceps
Skin stapler	Brown-Adson forceps
Needle holder	Adson forceps 1x2 with serrations
Straight Iris Scissors	Freer periosteal elevator
Curved Iris Scissors	Single Skin Hooks (2)
Double Skin Hook 10mm (2)	Long facelift retractor

## Discussion of Off-Label Use

Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be "off-label" use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

## Registration

Refer to registration form for fee schedule.

Registration fee includes continental breakfasts, breaks, lunches, and Thursday evening snacks for the lab participants. Anatomy lab participants will also receive a facial anatomy dissection DVD during registration at the hotel. Registration for the anatomy lab is limited and will be taken on a first-come, first-served basis. Please do not make travel reservations unless your registration has been confirmed.

**Register online:**  
**[cme.utsouthwestern.edu/rp1703](http://cme.utsouthwestern.edu/rp1703)**

## Cancellation Policy

The Office of Continuing Medical Education reserves the right to limit registration and cancel courses, no less than one week prior to the course, should circumstances make this necessary.

## Refund Policy

A handling fee of \$200 for the Cosmetic Symposium will be deducted from cancellation refunds. Refund requests must be received by mail or fax prior to March 9, 2017. No refunds will be made thereafter.

## ENDORSED BY:

The American Society for Aesthetic Plastic Surgery, Inc. and the American Society of Plastic Surgeons

Endorsement is not approval for Continuing Medical Education (CME) credit. The organizers may at their discretion provide separate CME credit.
