FAMILY MEDICINE GRAND ROUNDS

“Dermatologic Doppelgangers”

Joy Chong Yun, MD

FREE CME Dinner Program
Tuesday December 15, 2015
6:30 PM- 8:00 PM

5920 Forest Park Rd, 6th Floor Conference Room, Dallas, TX 75235

Program Directors:

Tasaduq Mir, MD, Assistant Professor
Zaiba Jetpuri, DO, MBA, Assistant Professor

Expert Panel:

William Abramovits, MD
Travis Vandergriff, MD

Overview: This activity provides an opportunity to review and present what is relevant to primary care and advance experience about up to date information applicable to day-to-day practice. The use of diagnostic tests and appropriate referrals will be presented to improve patient outcomes and cost efficiency in practice.

Who should attend? Residents in training, fellows, medical students and other interested health care professionals at UTSW and Community Primary Care Providers.

More information is available at <https://cme.utsouthwestern.edu/familymedicine/>

*Are you up to date with changes in Family Medicine and therapies that are available to your patients?
Can you recognize and manage the most common dermatological problems that Primary Care doctors come across? Do you know when to refer for biopsy?*

UT Southwestern Family Medicine Grand Rounds provide an updated scientific knowledge foundation which will enhance diagnosis and treatment in the care of our patients. Expert panel will discuss the most appropriate work-up and patient management.

This program is Jointly Provided by:
Department of Family & Community Medicine and
Office of Public Education and Continuing Medical Education

Accreditation: The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
