FAMILY MEDICINE GRAND ROUNDS

Diabetes: A Primary Care Perspective

Anna Wani, MD

FREE CME Dinner Program

Tuesday June 21, 2016

6:30 PM– 8:00 PM

William P. Clements University Hospital Education Center (2nd floor)
6201 Harry Hines Blvd, Dallas, TX 75390

Program Directors:

Tasaduq Mir, MD, FAAFP, Assistant Professor
Zaiba Jetpuri, DO, MBA, Assistant Professor

Expert Panel:

Luigi F. Meneghini, MD, MBA – Executive Director of Global
Diabetes Program, Parkland Health and Hospital System
Nora Gimpel, MD – Assistant Professor
Neelima Kale, PhD, MD, MBA – Assistant Professor

Overview: This activity provides an opportunity to review and present what is relevant to primary care and advance experience about up to date information applicable to day-to-day practice including recent new ADA guidelines. The use of Shared Medical Appointments (SMA) will be presented as well to show how to improve patient outcomes and cost efficiency in practice

Who should attend? Residents in training, fellows, medical students and other interested health care professionals at UTSW and Community primary care.

More information is available at <https://cme.utsouthwestern.edu/familymedicine/>
RSVP directly at FMGrandRounds@utsouthwestern.edu

UT Southwestern Family Medicine Grand Rounds provide an updated scientific knowledge foundation which will enhance diagnosis and treatment in the care of our patients. Expert panel will discuss the most appropriate work-up and patient management.

This program is jointly provided by the UTSouthwestern Department of Family & Community Medicine and Office of Public Education and Continuing Medical Education

Accreditation: The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
These activities are approved for *AMA Category 1 Credit(s)*[™], up to 1.00 Prescribed credit(s) by the AAFP. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
